MEDICAL PRACTICE ACT.

THE LAWS

Regulating the Practice of Medicine in North Carolina.

Section 3121. Medical Society of the State, a Body Politic; Private Laws, 1858-59, c. 258, s. 1.: The association of regularly graduated physicians, calling themselves "The State Medical Society," is hereby declared to be a body politic and corporate, to be known and distinguished by the name of "The Medical Society of the State of North Carolina."

Sec. 3122. Who May Practice, 1858-59, c. 258, s. 2: No person shall practice medicine or surgery, nor any of the branches thereof, nor in any case prescribe for the cure of disease for fee or reward, unless he shall have been first licensed so to do in the manner hereinafter provided.

Sec. 3123. Board of Physicians to Consist of Seven, 1858-59, c. 258, ss. 3, 4.: In order to the proper regulation of the practice of medicine and surgery there shall be established a board of regularly graduated physicians, to be known by the title of "The Board of Medical Examiners of the State of North Carolina," which shall consist of seven regularly graduated physicians.

Sec. 3124. Duty of Board, 1858-59, c. 258, s. 5: It shall be the duty of the said board to examine all applicants who shall exhibit a diploma or furnish satisfactory proof of graduation from a medical college in good standing requiring an attendance of not less than three years and supplying such facilities for clinical instruction as shall meet the approval of the said board, for license to practice medicine or surgery, or any of the branches thereof, on the following branches of medical science: Anatomy, physiology, surgery, pathology, medical hygiene, chemistry, pharmacy, materia medica, therapeutics, obstetrics and the practice of medicine, and if on such examination they be found competent, to grant to each applicant a license or diploma, authorizing him to practice medicine and surgery or any of the branches thereof; provided, five members of the board shall constitute a quorum and four of those present shall be agreed as to the qualifications of the applicant; provided, that the requirement of three years' attendance shall not apply to those graduating prior to January 1, 1900; provided, further, that license or other satisfactory evidence of standing as a legal practitioner in another state shall be accepted in lieu of a diploma and entitle to examination.

Sec. 3125. Temporary License, 1858-59, c. 258, s. 7: To prevent delay and inconvenience, two members of the Board of Medical Examiners may grant a temporary license to any applicant who shall comply with the requirements as to graduation prescribed in section 3124 as amended, and make report thereof to the next regular meeting of the board; provided, such temporary license shall not continue in force longer than the next regular meeting of the board, and such temporary license shall in no case be granted after the applicant has been refused a license by the Board of Medical Examiners.

Sec. 3126. How Appointed, 1858-59, c. 258, s. 9: The Medical Society shall have power to appoint the Board of Medical Examiners.

Sec. 3127. Where and When to Assemble, 1870-71, c. —, s. 11: The Board of Medical Examiners shall assemble at the same time and place when and where the Medical Society assembles, which society shall assemble at least once in every year at such time and place as the said society, at its next preceding meeting, shall have fixed; and the said board shall remain in session from day to day until all applicants who may present themselves for examination within the first five days after its meeting shall have been examined and disposed of; provided, that the said board may, at its discretion, meet not more than one week before the said society, but always in the same place; and that one additional meeting in each year may be held at some suitable point in the State if deemed advisable.

Sec. 3128. Officers, etc., 1858-59, c258, s. 11: The Board of Medical Examiners are authorized to elect all such officers and to frame all such by-laws as may be necessary, and in the event of any vacancy by death, resignation or otherwise, of any member of said board, the board or a quorum thereof is empowered to fill such vacancy.

Sec. 3129. The Board of Examiners to Keep a Record, 1858-59, c. 258, s. 12: The Board of Examiners shall keep a regular record of its proceedings in a book kept for that purpose, which shall always be open for inspection, and shall cause to be entered on a book kept for the purpose the name of each applicant licensed to practice medicine and surgery, and the time of granting the same, together with the names of the members of the board present, and shall publish the names of those licensed in two of the newspapers published in the city of Raleigh within thirty days after the granting of the same.

Sec. 3130. License, 1858-59, c. 258, s. 13: The board shall have power to demand of every applicant thus licensed the sum of $10 before issuing a license or diploma, and the sum of $5.00 for each temporary license, to be paid to the secretary of the board.

Sec. 3131. The Board; Their Compensation, 1870-71, c. —, s. 14: The members of the said board shall each receive as compensation for their services $4.00 per day during the time of their session, and in addition thereto their traveling expenses to and from their places of meeting by the most direct route from their respective places of residence, to be paid by the secretary of the board out of any moneys in his hands, on the certificate of the president of the Board of Medical Examiners.

Sec. 3132. Practicing Without License, 1858-59, c. 258, s. 15; 1885, c. 117 and 261: Any person who shall practice medicine or surgery without having first applied for and obtained license from the said Board of Examiners shall not be entitled to sue for or recover before any court any medical bill for services rendered in the practice of medicine or surgery or any of the branches thereof. And any person who shall begin the practice of medicine or surgery in this state for fee or reward, after the passage of this act (March 7, 1885), without first having obtained license from said Board of Examiners, shall not only not be entitled to sue for or recover before any court any medical bill for services rendered in the practice of medicine or surgery, or any of the branches thereof, but shall also be guilty of a misdemeanor, and on conviction thereof shall be fined not less than $25, nor more than $100, or imprisoned at the discretion of the court for each and every offense; provided, that this Act shall not be construed to apply to women who pursue the vocation of a midwife; and provided, further, that this Act shall not apply to any reputable physician or surgeon resident in a neighboring state or coming into this state for consultation with a registered physician therein. But this proviso shall not apply to physicians resident in a neighboring state regularly practicing in this state; provided, that this section shall not apply to physicians who have a diploma from a regular medical college and were practicing medicine or surgery in this state prior to the 7th day of March, 1885.

Sec. 3133. May Rescind License, 1858-59, c. 258, s. 16: Said board shall have the power to rescind any license granted by them when, on satisfactory proof, it shall appear that any physician thus licensed has been guilty of grossly immoral conduct.

Sec. 3134. Secretary, 1858-59, c. 258, s. 17. The secretary of the Board of Medical Examiners shall give bond, with good security, to the president of the board, for the safe-keeping and proper payment of all moneys that may come into his hands.

Registration. 1889, c. 181, ss. 3 (in part), 4, 5, 6, 7; Sec. 3. That chapter 34 of The Code be amended by striking from section 3125 the words "for confirmation," and by adding immediately after section 3134 the following words: "Any person who shall begin the practice of medicine or surgery in this state after the passage of this Act shall personally appear before the clerk of the Superior Court of the county in which he resides or practices within thirty days after obtaining a license from the Board of Medical Examiners of the state, as now provided by law for registration."

Sec. 4. That any person applying for registration as herein provided shall produce and exhibit before the clerk of the Superior Court a license obtained from the Board of Medical Examiners aforesaid; and on such exhibit being made as aforesaid the clerk shall register the date of registration with the name and residence of such applicant in a book to be kept for this purpose in his office, marked "Register of Physicians and Surgeons," and shall issue to him a certificate of such registration under the seal of the Superior Court of the county on the form furnished him, as hereinafter provided, for which the clerk shall be entitled to collect from said applicant a fee of 25 cents. The person obtaining said certificate shall be entitled to practice medicine or surgery, or both, in the county where the same was obtained and in any other county in this state, but if he shall remove his residence to another county he shall exhibit the said certificate to the clerk of such other county and be registered, which registration shall be made by the said clerk without fee or charge; provided, that any one having obtained a temporary license, as provided in section 3125 of The Code, shall not be entitled to register, but may practice during the time such license shall remain in force.

Sec. 5. That any person who shall practice medicine or surgery in this state without first having registered and obtained the certificate as aforesaid shall be guilty of a misdemeanor, and on conviction thereof shall be fined not less than $25 nor more than $100, or be imprisoned at the discretion of the court for each and every offense; provided, this Act shall not apply to women pursuing the vocation of midwife, nor to reputable physicians or surgeons resident in a neighboring state coming into the state for consultation with a registered physician of this state.

Sec. 6. That any clerk of the Superior Court who shall register or issue a certificate to any person in any other manner than that prescribed by this Act shall be guilty of a misdemeanor, and on conviction thereof shall be fined not less than $200 and shall be removed from office.

Sec. 7. That it shall be the duty of the Medical Society of the State of North Carolina to prescribe a proper form of certificate required by this Act.

By-Laws, Rules and Regulations of the Board of Medical Examiners of the State of North Carolina.

The Board.

Section 1. The board shall meet on Wednesday afternoon preceding the regular meeting of the Medical Society of the State of North Carolina, at the place designated for the meeting of said society, and at such other time and place as may be deemed necessary. It shall continue in session until all business regularly coming before it is disposed of.

Sec. 2. Each member of the board shall attend promptly on the first day of the session. He shall absent himself from no meeting without a satisfactory excuse; should he do so for two successive meetings the board shall declare his place vacant and proceed to fill same as provided by law.

Sec. 3. The officers of the board shall be a president, secretary and treasurer.

Sec. 4. The president shall be the executive officer of the board, presiding at all meetings and exercising a general supervision over all business of the board.

Sec. 5. The office of secretary and treasurer shall be combined. He shall perform the usual duties pertaining to those offices, collect all fees, keep accurate account of same, pay out all money on proper voucher, register candidates, conduct all correspondence relating to the business of the board, keeping copy of all

letters written and file all letters received, give due notice of all regular special meetings of the board, and furnish information at all times in regard to matters pertaining to the board. He shall be custodian of all books, papers and records of the board, and shall see that same are carefully preserved for transmission to his successor, and shall perform such other duties as may be assigned to him. He shall give bond to the board for the proper keeping and accounting of all money coming into his hands, in the sum of $1,000. He shall receive such compensation for his services as the board may see fit to allow, not exceeding $200 per annum.

Applicants for License.

Sec. 6. All who contemplate applying to the board for license must be present on the first day of the regularly advertised meetings and register with the secretary at the time appointed for registration, due notice of which will be given. No registration will be allowed after the completion of the first examination, except by special permission of the board. Each applicant shall present his diploma and file with the secretary of the board at the time of registration a certificate of good moral character attested by two persons known to the board and pay the fee of $10 (which fee shall be returned in the event of the applicant s rejection). He shall also present a signed certificate, on a blank to be furnished by the secretary, setting forth in detail his name in full, place and date of birth, present residence, the months and years with names of colleges in which he (or she) studied medicine, the opportunities afforded the applicant for clinical instruction, with the date and college of graduation in medicine, and names of two references as to personal character. When all applicants have been registered these papers shall immediately be sealed by the secretary and kept unopened until after the ballot on the numbers of the applicants shall have been had, when they shall be opened to complete the records.

MEDICAL PRACTICE ACT.

ARTICLE 12.—STATE BOARD OF MEDICAL EXAMINERS.

Board of Medical Examiners, How Appointed. Qualifications.

Section 294.—The governor shall appoint a state board of medical examiners consisting of nine members, of whom eight shall be practicing physicians, graduates of reputable medical colleges, who shall hold their office for three years after such appointment and until their successors are appointed and qualified. Two members of such board shall be homeopathic physicians, and one a lawyer. (1890, ch. 93, Sec. 1; R. C. 1895, Sec. 275).

Officers. Meetings for Examinations. Record of Licenses.

Sec. 295.—Such board shall elect a president and treasurer, and shall have a seal. The president and secretary shall have power to administer oaths. The board shall hold meetings for examinations at such places as it may designate on the first Tuesday in January, April, July and October of each year, and such special meetings as it may from time to time appoint. The board shall keep a record of all its proceedings, and also a register of applicants for license together with their ages, time spent in the study of medicine and the name and location of all institutions granting to such applicants degrees or certificates of attendance on lectures in medicine or surgery. Such register shall also show whether the applicant was rejected or licensed under this article. Said books and register shall be prima facie evidence of all matters therein recorded. (1890, ch. 93, Sec. 2; R. C. 1895, Sec. 276).

Examinations, How Conducted. Licenses, How Granted and Revoked.

Sec. 296.—All persons before commencing the practice of medicine, surgery or obstetrics in this state shall apply to the board of medical examiners for a license so to do, and such applicant shall submit to an examination in the following subjects: Anatomy, physiology, chemistry, pathology, therapeutics, diseases of women and children, nervous diseases, diseases of the eye and ear, medical jurisprudence and such other subjects as the board deems advisable, and present evidence of having graduated from a reputable medical college and attended three courses of lectures of at least six months each; provided, however, that after the year 1904, applicants must present evidence of having graduated from a reputable college and attended four courses of lectures of at least eight months each; and the board shall cause such examination to be practical and scientific and sufficient to test the candidate's fitness to practice medicine, surgery and obstetrics; provided, however, that the examination of any applicant in therapeutics shall be conducted by the member or members of said board who represent the system of medicine of which such applicant has been a student. If there be no representative of the school or system of which the applicant has been a student, the examination in therapeutics shall be conducted by an examiner appointed for that purpose by the governor of North Dakota, but all other examinations other than that in therapeutics shall be conducted as heretofore provided by this section. If such applicant passes the prescribed examination, the board shall grant him a license to practice medicine, surgery and obstetrics in this state, which license shall be signed by the president and secretary of the board and attested by the seal thereof. The fee for such examination shall be twenty dollars, to be applied by the board toward paying the expenses thereof. The board, in its discretion, may grant license for the same fee without examination to applicants examined and licensed by other state examining boards maintaining standards not lower than those provided for in this article. The board may revoke or refuse a license for dishonorable or immoral conduct, chronic or persistent inebriety or mental aberration, excessive use of narcotics, or for the practice of criminal abortion. In complaints for violating the provisions of this section the accused shall be furnished with a copy of the complaint and be given a hearing before the board in person or by attorney. (1890, ch. 93, Sec. 3; R.C. 1895, Sec. 277; ch. 148, Sec. 1).

Sec. 297. License to be Recorded.—The person receiving a license shall file the same for record in the office of the register of deeds of the county wherein he resides, and the register of deeds shall record the same in like manner as other instruments required to be recorded. (1890, ch. 93, Sec. 4; R.C. 1895, Sec. 278; 1901, ch. 142).

Sec. 298. Who Exempt From Provisions of This Article.—This article shall not apply to surgeons of the United States army or navy, physicians or surgeons in actual consultation from other states or territories or actual medical students practicing medicine under the direct supervision of a preceptor. (1890, ch. 93, Sec. 5; R.C. 1895, Sec. 279).

Sec. 299. Penalty for Practicing Without a License.—Any person practicing medicine, surgery and obstetrics without a license or otherwise violating the provisions of this article is guilty of a misdemeanor and upon conviction thereof, is punishable by a fine of not less than fifty or more than one hundred dollars, or by imprisonment in the county jail not exceeding thirty days, or by both. Nothing in this section shall be construed so as to prohibit gratuitous assistance to a sick or injured person in case of emergency. (1890, ch. 93, Sec. 6; R.C. 1899, Sec. 280; 1905, ch. 148, Sec. 1).

MEDICAL PRACTICE ACT.

THE STATUTES OF OHIO

Regulating the Practice of Medicine and Surgery. Passed February 27, 1896; amended April 14, 1900; amended April 21, 1902.

Amended March 19, 1906.

AN ACT

To regulate the Practice of Medicine in the State of Ohio.

Section. 1. Be it enacted by the General Assembly of the State of Ohio, That Section 4403, Revised Statutes of Ohio, be amended so to read as follows:

Section 4403. Within thirty days after the passage of this Act, the Governor, by and with the advice and consent of the Senate, shall appoint a State Board of Medical Registration and Examination, consisting of seven members, one to serve for one year, one for two years, one for three years, one for four years, one for five years, one for six years, and one for seven years, and the successors of each for the term of seven years, who shall be physicians in good standing in their profession, representation to be given to schools of practice in the state as nearly as possible in proportion to their numerical strength in the state, but no one school to have a majority of the whole board. The board shall organize by electing a president and a treasurer, who shall be members of the board, and a secretary, who shall be a physician in good standing in his profession, each to serve for the term of one year. The treasurer shall give a bond in the sum of $10,000, with sureties approved by the board, for the faithful discharge of his duties. The secretary shall receive a salary of not exceeding $1,500 per annum, to be fixed by the board, and his necessary expenses in performing his official duties. The members of the board shall each receive $10 per day for the time actually employed in the discharge of their duties and their necessary expenses while engaged therein. The board shall have a common seal and shall formulate rules to govern its action. Its president and secretary shall have the power to administer oaths. The board shall meet in Columbus on the first Tuesday of January, April, July and October of each year, and at such other times as the board may appoint. Five members shall constitute a quorum. The board shall keep a record of all its proceedings and a register of all applicants for certificates, giving the name and location of the institution granting the applicant the degree of doctor of medicine or surgery, and also whether the applicant was rejected or a certificate granted. The books and register of the board shall be prima facie evidence of all matters recorded therein.

It will be noticed that Section 4403a and Section 4403b, enacted February 15, 1881 (78 O. I. 27), were not amended or repealed by this Act, and they are inserted here to give the complete law as it stands in Ohio at the present date.

Sec. 4403a. Whoever shall make, issue or publish, for purpose of sale, barter or gift, any certificate, diploma or other writing or document falsely representing the holder or receiver thereof to be a graduate of any medical school or college, or of any educational institution of medicine whatsoever, and entitled to the powers, privileges or degrees thereby pretended to be conferred; or whoever shall sell or otherwise dispose of, or offer to do so, any such diploma, certificate, writing or document containing the false representation aforesaid; or whoever shall use his name, or permit the same to be used, as a subscriber, for any purpose or in any capacity, to such false and fictitious diploma, certificate, writing or document aforesaid, on conviction thereof, shall be subject to the penalty prescribed in section 4403 (b).

Sec. 4403b. Whoever shall make, issue or publish, or cause to be made, issued or published, for the purpose of sale, barter or gift, any diploma, certificate or writing representing the holder thereof to be a graduate of any medical school or college or of any educational institution of medicine whatsoever, unless such holder shall have, in fact, attended a complete course of instruction in such school, college or institution for medical teaching, which course shall be equal to the average course of instruction in other schools, colleges or institutions, where the various branches of medicine are taught as a science, in good standing in the State of Ohio, on conviction thereof, shall be fined in any sum not exceeding $1,000 nor less than $100, or imprisoned in the penitentiary not more than three years nor less than one year, or both, at the discretion of the court.

Section 1. That Section 4403c, enacted by section 2, of an act entitled "An Act to regulate the practice of Medicine in the State of Ohio," passed February 27, 1896, be amended so as to read as follows:

Sec. 4403c. No person shall practice medicine, surgery or midwifery in any of its branches in the State of Ohio without first complying with the requirements of this Act. All persons authorized and entitled prior to July 1, 1900, to practice medicine, surgery or midwifery in the State of Ohio, under and by virtue of the provisions of an Act entitled "An Act to regulate the practice of medicine in the State of Ohio," passed February 27, 1896, to which this Act is amendatory, may engage in such practice, and shall be subject to the law regulating the same; all other persons desiring to engage in such practice in this state shall apply to the State Board of Medical Registration and Examination for a certificate, and submit to the examination hereinafter provided, except that all medical students who were on January 1, 1900, matriculated in any medical college in the State of Ohio, recognized by the State Board of Medical Registration and Examination of Ohio, and who shall have graduated subsequent to January 1, 1900, and who shall file their diplomas for registration prior to July 1, 1904, shall receive certificates under the provisions of the Act of February 27, 1896, to which this Act is amendatory. The applicant shall file with the secretary of the board a written application on a form prescribed by the board, verified by oath, and furnish satisfactory proof that he is more than twenty-one years of age and is of good moral character. In the application, as a condition of admission to the examination, he shall produce either of the following credentials: A diploma from a reputable college granting the degree A. B., B. S., or equivalent degree; a diploma from a normal school, high school or seminary, legally constituted, issued after four years of study; a teacher's permanent or life certificate; a medical student's certificate issued on examination by any state board; a student's certificate of examination for admission to the freshman class of a reputable literary or scientific college; or a certificate of his having passed an examination conducted under the direction of the State Board of Medical Registration and Examination by certified examiners, none of whom shall be either directly or indirectly connected with a medical college; said examination to be held simultaneously in Cincinnati, Cleveland, Columbus and Toledo, and the questions submitted to be uniform at such places; and has either received a diploma from some legally chartered medical institution in the United States in good standing at the time of issuing such diploma, as defined by the board; or a diploma or license approved by the board, which has conferred the full right to practice all branches of medicine or surgery in some foreign country. With the application the applicant shall present his diploma or license, as above defined, and accompanying the same, shall file his affidavit duly attested, stating that he is the person named in the diploma or license, and is the lawful possessor of the same, and giving his age, residence, college or colleges at which he obtained his medical education, the time spent in each college, the time spent in the study of medicine and such other facts as the board may require; if engaged in the practice of medicine the applicant shall state the period during which, and the place at which, he has been engaged in the practice of medicine or surgery. If the board shall find that the applicant has obtained any one of the credentials heretofore defined, as a condition of his admission to the examination, and shall find his diploma to be genuine and from a legally chartered medical institution in the United States in good standing as determined by the board, or shall find the license to be genuine and such as to confer on the applicant the full right to practice all branches of medicine or surgery in the foreign country in which he obtained it, and of a standard approved by the board; and shall find the person named in the diploma or license is the person holding and presenting the same, and is of good moral character, the board shall admit such applicant to an examination. All examinations shall be conducted under the rules formulated by the board. Each applicant shall be examined in anatomy, physiology, pathology, chemistry, materia medica and therapeutics, the principles and practice of medicine, surgery, obstetrics and such other subjects as the board may require. The applicant shall be examined in the materia medica and therapeutics and the principles and practice of medicine of the school of medicine in which he desires to practice, by the member or members of the board representing such school. If an applicant passes an examination satisfactory to the board, and has paid the fee as hereinafter provided, it shall issue its certificate to that effect, signed by its president and secretary and attested by its seal, which, when left with the probate judge for record, as hereinafter required, shall be conclusive evidence that its owner is entitled to practice medicine or surgery in this state. The board may refuse to grant a certificate to any person guilty of fraud in passing the examination or guilty at any time of felony or gross immorality, or addicted to the liquor or drug habit to such a degree as to render him unfit to practice medicine or surgery; and may, after notice and hearing, revoke a certificate for like cause or causes. An appeal may be taken from the action of the board, refusing to grant or revoking a certificate, for such causes, to the Governor and attorney general, and the decision of these officers, either affirming or overruling the action of the State Board, shall be final. An affirmative vote of not less than five members shall be required to authorize the issuance of a certificate. The fee for an examination shall be $25, which shall not be returned in case of a failure to pass such examination, but the applicant may, within a year after such failure, present himself and be examined again without the payment of an additional fee. All fees shall be paid in advance to the treasurer of the board, and by him covered into the state treasury, to the credit of a fund which is hereby appropriated for the use of the State Board of Medical Registration and Examination. The compensation and expenses of members and officers of the board, and all expenses, proper and necessary, in the opinion of the board, to discharge its duties and enforce the law, shall be paid out of said fund, warrant of the auditor of state, issued on requisition signed by the president and secretary of the board. Provided, that nothing contained in this section shall be construed to compel any person holding or obtaining, prior to July 1, 1900, a certificate from the board, under the Act of February 27, 1896, entitled, "An Act to Regulate the Practice of Medicine in the State of Ohio," entitling such person to practice medicine or surgery in this state, or any medical student who was matriculated on January 1, 1900, in any medical college in the State of Ohio, recognized by the State Board of Medical Registration and Examination of Ohio, and who shall have graduated subsequent to January 1, 1900, and who shall file his or her diploma for registration prior to July 1, 1904, to file an applica-

tion and submit to the examination herein required. Provided, further, that the board may, in its discretion, dispense with an examination in the case of a physician or surgeon duly authorized to practice medicine or surgery in any other state, territory or the District of Columbia, who may desire to change his residence to and practice his profession in Ohio, and who makes application on a form to be prescribed by the board, accompanied by a fee equal to that required by the State, territory or district from which such physician comes, of a physician or surgeon of Ohio who may desire to change his residence to and practice his profession in such state, territory or district, and presents a certificate or license issued by the medical board of such state, territory or the District of Columbia, acorded only to applicants from states, territories and districts whose laws demand qualifications of equal grade with those required in Ohio, but such examination shall not be dispensed with unless under the law and regulations of the state, territory or the District of Columbia, equal rights and privileges are accorded to physicians and surgeons of Ohio, holding the certificate of the board, who may desire to remove to and practice in such state, territory or the District of Columbia.

Sec. 4403d. The person receiving a certificate to practice medicine or surgery under section 4403c shall, before entering on the practice, leave his certificate with the probate judge of the county in which he resides for record. The probate judge shall record the same in a book to be kept for that purpose and endorse on the margin of the record and on the certificate the time he received the same for record and make proper index to all certificates by him recorded. The probate judge shall note in the margin of the record the revocation of a certificate or any change in the location or death of the owner of a certificate. On application the probate judge shall make out a certified copy of any such certificate and the endorsement thereon, and such certified copy shall be prima facie evidence of all matters and facts therein contained. Between the first and thirty-first days of December in each year the probate judge shall furnish the secretary of the State Board a list of all certificates recorded and in force, and also a list of all certificates which have been revoked or the owners of which have removed from the county or died during the preceding year.

In case of a change of residence the owner of a certificate shall have the same recorded anew by the probate judge of the county into which he removes. For services under this section the probate judge shall receive the following fees: For recording and indexing each certificate, 50 cents, and for certified copies the same fees as are allowed by law for copies and certificates or records kept by the probate judge, to be paid by the holder of the certificate.

Sec. 4403e. Every person practicing midwifery in this state at the time of the passage of this Act shall within ninety days thereafter file with the probate judge of the county in which she resides an affidavit duly attested, giving her name, age, residence, the length of time during which, and the place or places at which she has been engaged in said practice, and the special education, if any, which she has received to fit her for such practice. Thereupon, on payment of a fee of $5.00 (50 cents of which the probate judge shall retain as his own fee, and the balance remit to the treasurer of the State Board of Registration and Examination) the probate judge shall issue a certificate, on a blank form furnished by the State Board, which shall entitle the applicant and holder to practice midwifery in this state. Such certificate shall be recorded by the probate judge, and in case of a transfer of residence, again recorded in the county to which the midwife removes, as provided by section 4403d, regulating the record of physicians' certificates. The probate judge shall annually, between the first and thirty-first days of December, furnish the secretary of the State Board a list of all such certificates issued and in force, and also a list of all such certificates which have been revoked or the owners of which have removed from the county or died during the preceding year. All persons desiring, after the passage of this Act, to enter on the practice of midwifery in this state shall appear before the State Board and submit to such examination in midwifery as the board may require. If the applicant passes a satisfactory examination the board shall, on the payment of a fee of $10, issue its certificate to that effect, which when filed with the probate judge for record, as provided in section 4403d, shall entitle the owner and holder thereof to practice midwifery in this state. A certificate to practice midwifery may be refused or revoked for the same cause in the same manner as provided in section 4403c in the case of certificates to physicians and surgeons. The certificate granted to practice midwifery shall not give the holder the right to perform version, or treat breech or face presentation, or do any obstetric operation requiring instruments, or treat any other abnormal condition, except in emergencies.

Section. 1. That Section 4403f of the Revised Statutes of Ohio be amended so as to read as follows:

Sec. 4403f. Any person shall be regarded as practicing medicine or surgery or midwifery within the meaning of this Act who shall use the words or letters "Dr.," "Doctor," "Professor," "M. D.," "M. B.," or any other titles in connection with his name which in any way represents him as engaged in the practice of medicine or surgery or midwifery in any of its branches, or who shall prescribe, or who shall recommend for a fee for like use any drug or medicine, appliance, application, operation or treatment of whatever nature, for the cure or relief of any wound, fracture or bodily injury, infirmity or disease. The use of any of the above mentioned words or letters or titles in such connection and under such circumstances as to induce the belief that the person who uses them is engaged in the practice of medicine or surgery or midwifery in any of its branches, shall be deemed and accepted as prima facie proof of an intent on the part of such person to represent himself as engaged in the practice of medicine or surgery or midwifery; provided, however, that nothing in this Act shall be construed to prohibit service in the case of emergency or the domestic administration of family remedies; and this Act shall not apply to any commissioned medical officer of the United States Army, Navy or Marine-Hospital Service in the discharge of his professional duties, nor to any legally qualified dentist when engaged exclusively in the practice of dentistry, nor to any physician or surgeon from another state or territory who is a legal practitioner of medicine or surgery in the state or territory in which he resides, when in actual consultation with a legal practitioner of this state, nor to any physician or surgeon residing on the border of a neighboring state and duly authorized under the laws thereof to practice medicine or surgery therein, whose practice extends into the limits of this state, when equal rights and privileges are accorded by such neighboring state to physicians and surgeons of Ohio residing on the border of this state contiguous to such neighboring state; provided, that such practitioner shall not open an office or appoint a place to meet patients or receive calls within the limits of this state; nor to any osteopath who shall pass examination in the subject of anatomy, physiology, obstetrics and physical diagnosis in the same manner as is required of other applicants before the State Board of Medical Registration and Examination, and who has thereupon received a certificate from the board, which, when filed with the probate judge as is required in the case of other certificates from the board, shall authorize the holder thereof to practice osteopathy in the State of Ohio, but shall not permit him to administer drugs nor to perform major surgery. Provided, that all applicants to practice osteopathy shall, before being admitted to examination before the State Board of Medical Registration and Examination, file with the board, accompanied with a fee of $25, evidence of preliminary education as required by section 4403c, and a certificate from the osteopathic examining committee as hereinafter provided, showing: First, that he holds a diploma or a physician's osteopathic certificate from a reputable college of osteopathy as determined by this committee; second, that he has passed examination in a manner satisfactory to the committee in the subjects of pathology, physiological chemistry, gynecology, minor surgery, osteopathic diagnosis, principles and practice of osteopathy. The State Board of Medical Registration and Examination shall, within thirty days after the passage of this Act, appoint on recommendation of the Ohio Osteopathic Society three persons, one for one year, one for two years and one for three years, and their successors to be appointed for three years each, who shall constitute the Osteopathic Examining Committee. Each person so appointed shall file with the State Board of Medical Registration and Examination a certificate of the Ohio Osteopathic Society, a corporation duly organized and existing under the laws of the State of Ohio, setting forth that the person named in the certificate is a graduate of a reputable college of osteopathy; that he has been engaged in the practice of osteopathy in the State of Ohio for at least one year; that he is of good moral character and that he is in good standing in his profession. Any person engaged in the practice of osteopathy in this state at the time of the passage of this Act, who holds a diploma from a regular college of osteopathy as determined by the committee, and who makes application to the State Board of Medical Registration and Examination within thirty days after the passage of this Act, on the payment of a fee of $5.00, shall receive a certificate from the board without examination, which, when filed with the probate judge, as required in the case of other certificates from the board, shall authorize the holder thereof to practice osteopathy in the State of Ohio, but shall not permit him to administer drugs nor to perform major surgery. The board may, in its discretion, on recommendation of the osteopathic committee and the payment by the applicant of a fee of $50, issue certificates without examination to graduates of reputable schools of osteopathy who are of good moral character and who, for five years or more, have been engaged in the practice of osteopathy in any other state. Any person announcing or advertising himself as an osteopath, who has not complied with the provisions of this Act, shall be subject to the penalties provided in section 4403g. This committee shall meet at the office of the board at such time as the board may direct whenever there are applications for osteopathic certificates to be acted on, but shall take no part in the deliberations of the board, and the compensation of its members shall be the same as of members of the board and shall be paid in the same way.

Sec. 2. Section 4403f of the Revised Statutes of Ohio is hereby repealed and this Act shall take effect and be in force from and after its passage.

Sec. 4403g. Any person practicing medicine or surgery as defined in section 4403f in this state, without having first complied with the provisions of sections 4403c and 4403d, except as herein provided, shall be deemed guilty of a misdemeanor, and shall be fined not less than $20 nor more than $500, or be imprisoned in the county jail not less than thirty days nor more than one year, or both. Any person practicing midwifery in this state without having complied with the provisions of section 4403e, except therein provided, shall be deemed guilty of a misdemeanor, and fined not less than $25 nor more than $100. Any person who shall file or attempt to file as his the medical diploma or certificate to practice of another, or shall file or attempt to file a false forged affidavit of his identity, or shall wilfully swear falsely to any question which may be propounded to him on his medical examination, or to any affidavit required to be made or filed by him, with the State Board of Medical Registration and Examination, shall be guilty of felony and be imprisoned in the penitentiary not more than five years nor less than one year. Such fines when collected shall be paid one-third to the person, corporation or medical society making the complaint or furnishing the information, one-third to the poor fund of the county, and one-third to the State Board of Medical Registration and Examination. The secretary of the State Board of Medical Registration and Examination is charged with the duty of enforcing this Act. If he have knowledge or notice that the Act has been or is being violated he shall investigate the matter, and on probable cause appearing, shall file a complaint and prosecute the offender. It shall be the duty of the prosecuting attorney, when requested by such secretary, to take charge and conduct such prosecutions.

Sec. 3. Original Sections 4403 and 6992 are hereby repealed, and this Act shall take effect and be in force from and after its passage.

MEDICAL PRACTICE ACT OF OKLAHOMA.

AN ACT

Repealing Chapter Eight of the Statutes of Oklahoma, 1893, establishing a Board of Health, and for other Purposes.

Be it enacted by the Legislative Assembly of the Territory of Oklahoma:

Section 1. There is hereby established a Territorial Board of Health, composed of three persons, residents of this territory, regularly practicing and legally qualified physicians in good standing, to be appointed by the Governor and approved by the council. The term of office of each member shall be two years, and one member shall be designated by the Governor as superintendent, who shall be ex-officio secretary of the board. The board shall elect one of its members as president and the other as vice-president.

Sec. 2. The president, when present, and the vice-president, when the president is absent, shall preside at the meeting of the board. The secretary shall keep a record of the proceedings of the board and of his own proceedings as superintendent of the Board of Health. The Board of Health shall hold meetings every three months, due notice of the time and place to be given by the secretary.

Sec. 3. It shall be the duty of the Board of Health to examine applicants and grant licenses to those found to be qualified and entitled to the same, to quarantine against outside territory known to be infected with contagious or infectious diseases, to condemn and destroy impure and diseased articles of food offered or exposed for sale in the territory and to act in conjunction with the county and municipal boards of health.

Sec. 4. The salary of the superintendent of the Board of Health shall be $800 per annum, and he shall be allowed for records, supplies, printing and traveling expenses actually and necessarily expended not to exceed $500 per annum, which shall be paid on sworn itemized statements. The president and vice-president of the board shall receive no compensation except fees for examination of applicants for license to practice medicine and surgery, which shall be equally divided between them, and actual necessary traveling expenses, not to exceed $100 each per annum.

Sec. 5. No person hereafter shall practice medicine or surgery in this territory without first obtaining a license from the Territorial Board of Health. Application for license shall be made in writing, together with a fee of $5.00, accompanied by a proof of good moral character and proof of ten years continuous practice, or proof of graduation from a reputable medical college. When the application has been inspected by the board and found to comply with the foregoing provisions the board shall notify the applicant to appear for examination at a time and place designated in such notice. Examination shall be made in whole or in part in writing and be sufficiently strict to test applicant's qualifications to practice medicine. All members of the board shall be present and participate in such examination. It shall be the duty of the person holding such license to register in the office of the register of deeds, in a book kept for that purpose, in the county in which said person resides or intends to practice; provided, that an osteopath shall not be required to pass an examination in materia medica or therapeutics.

Sec. 6. Any person practicing or offering to practice medicine or surgery in any of their branches, without first having obtained a license from this board, shall be deemed guilty of a misdemeanor and on conviction thereof shall be fined in any sum not less than $50 nor more than $100, or by imprisonment in the county jail for a period of not less than thirty days nor more than six months, or by both such fine and imprisonment, at the discretion of the court, and all costs incurred therein.

Sec. 7. The provisions of this Act shall not affect the rights of persons now legally practicing medicine, osteopathy or surgery in this territory; nor shall it prohibit the application of domestic remedies by one member of a family to another thereof; nor administering of remedies by another in case of emergency, without compensation; nor shall it apply to any commissioned medical officer of the United States Army, Navy or Marine-Hospital Service in the discharge of his official duties; nor to any legally qualified dentist when engaged exclusively in the practice of dentistry; nor to any physician or surgeon from another state or territory who is a legal practitioner of medicine or surgery in the state or territory in which he resides, when in actual consultation with a legal practitioner of this territory, nor to any physician or surgeon residing on the border of a neighboring state or territory and duly authorized under the law thereof to practice medicine or surgery therein, whose practice extends into the limits of this territory; provided, that such practitioner shall not open an office or appoint a place to meet patients or receive calls within the limits of this territory; nor to any osteopath who shall pass examination in the subject of anatomy, physiology, obstetrics and physical diagnosis in the same manner as required of other applicant before the Territorial Board of Health, and who has thereupon received a certificate from the board which, when filed with the register of deeds, as is required in the case of other certificates from the board, shall authorize the holder thereof to practice osteopathy in the Territory of Oklahoma, but shall not permit him to administer drugs nor to perform major surgery.

Sec. 8. The county board of health shall consist of three persons; a legally qualified physician appointed by the territorial superintendent, who shall be superintendent and secretary of the county board of health, the chairman of the county commissioners who shall be president, and a legally qualified physician appointed by the board of county commissioners who shall be vice-president. The superintendent of county boards of health shall have power to abolish nuisances that are dangerous to the public health, to isolate persons afflicted with dangerous or contagious diseases, and to do such other things with the approval of the board as may be deemed necessary for the preservation of the public health. Such superintendent shall be paid for expenses actually and necessarily contracted in the discharge of his duties, together with fees for duty performed; Provided, that the sum total of such expenses and fees shall not exceed $100 per annum. Such bills of expense and fees shall be filed with the county clerk and allowed by the board of county commissioners, and other bills are allowed by them. Provided, further, that should an emergency exist on account of the prevalence of any dangerous epidemic, such county board of health may make such provisions for the isolation and care of the sick as may be required, by and with the consent and approval of the county commissioners.

Sec. 9. Chapter eight of the statutes of Oklahoma, 1893, together with all Acts and parts of Acts in conflict herewith, are hereby repealed.

Sec. 10. This Act shall take effect and be in force from and after its passage and approval.

Approved March 12, 1903.

MEDICAL PRACTICE ACT OF INDIAN TERRITORY.

AN ACT

Regulating the Practice of Medicine and Surgery in the Indian Territory.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress asembled, That hereafter no person shall practice medicine and surgery, or either, as a profession in the Indian Territory without first being registered as a physician and surgeon, or either, in the office of the clerk of the United States court in the district in which he or she offers to practice.

Sec. 2. That each district clerk in the Indian Territory shall keep in his office a well-bound book, in which he shall register the names of all such persons as shall be lawfully qualified, as hereinafter provided, and who shall apply for registration as physician and surgeon, or either, with the date of such registration.

Sec. 3. That hereafter any person who may wish to practice the science of medicine or surgery, or both, in the Indian Territory shall be allowed to register as such who shall file with the clerk of the United States court of any district in the Indian Territory a certificate of qualification signed by a majority of the board of medical examiners of the district in the Indian Territory in which he or she offers to register: Provided, That any person living in a district in which no board is organized may apply to the board of some other district in the Indian Territory.

Sec. 4. That immediately after the passage of this act the United States judge of each district in the Indian Territory shall appoint for his district a board of medical examiners, consisting of three persons, who shall be citizens of the district and learned in the science of medicine and surgery, of good moral character, graduates of some reputable medical college recognized by either of the American medical college associations, and who shall thereafter be duly registered under this act, who shall hold their office for a period of four years, or until their successors are duly appointed and qualified; and should a vacancy occur in any of said boards at any time, the same shall be filled by appointment made by the United States judge of the district in which the vacancy occurs.

Sec. 5. That the members of said board shall, before entering upon the discharge of their duties, take the official oath required to be taken by officers of the Indian Territory.

Sec. 6. That at the first meeting of the members of such boards, after they shall have been appointed, preparatory to the transaction of business assigned them under this act, they shall organize by electing one of their members as president and another as secretary, and adopt a seal.

Sec. 7. That physicians and surgeons who shall be engaged in practice at the time of the passage of this act shall each, within six months thereafter, present to said board their diplomas, together with affidavits in each case that the affiant is the lawful possessor of the same and he is the person named therein. Such as have no diplomas shall within the same time submit sworn applications, setting forth the extent of their medical education and their experience as practitioners, and shall be subject to a careful examination by the board.

Sec. 8. That the regular meetings of each board shall be held quarterly at the court house of that district on the first Monday in January, April, July, and October in each year, and when so assembled said board shall faithfully and impartially examine all such persons as shall appear before them for that purpose touching their qualifications to practice medicine and surgery, or either, and all such persons as shall satisfy such board of examiners, or a majority of them, that he or she is of good moral character and duly qualified in knowledge and capacity to practice medicine and surgery, or either, shall receive from such board a certificate or qualification as physician and surgeon, or either, as the case may be, which certificate shall entitle such persons to registration under the provisions of sections two and three: Provided further, That no person desiring to practice medicine under this act shall be excluded therefrom on account of any particular system or school of medicine that he or she may desire to practice.

Sec. 9. That the board may refuse certificates to persons guilty of unprofessional or dishonorable conduct, and it may revoke

certificates for like cause: Provided always, That they have given the person an opportunity to be heard in his or her defense.

Sec. 10. That any person desiring to be examined at any other time than the regular quarterly meeting shall notify the president of the board of such desire, whose duty it shall be to assemble the board as soon as practicable and examine such applicant.

Sec. 11. That the district clerk shall give to every person registered under this act a certificate of registration over his signature and official seal, and such certificate shall authorize any such person to practice as physician or surgeon, or both, as the case may be, in any district in the Indian Territory, provided he or she registers said certificate with the clerk of the United States court for each district in which he or she desires to practice.

Sec. 12. That the clerk shall receive as his fee for all services required of him under this act in each case the sum of one dollar and fifty cents.

Sec. 13. That any two members of said board shall constitute a quorum for the transaction of all such business as shall come before it, and each applicant for examination shall pay in advance to the secretary, to be divided equally among the members of such board, the sum of ten dollars, which shall be their only compensation.

Sec. 14. That all physicians and surgeons holding diplomas desiring to practice the science of medicine and surgery in the Indian Territory shall submit the same to the board of examiners for the district in which they desire to practice for examination and approval, for which applicant shall pay a fee of one dollar to said board, and upon approval by said board of said diploma shall not be required to undergo the examination herein provided for; and said board shall issue to said applicant a certificate of approval, which certificate shall be registered in the clerk's office for the district in which said board holds jurisdiction: Provided, however, That no person holding a diploma issued after July first, nineteen hundred and four, shall be permitted to practice medicine or surgery for pay in the Indian Territory except that the diploma be issued by a medical school or college requiring preliminary examination for admission to its course of study in all the common branches and the higher mathematics, which requirements shall be regularly published in all the advertisements and in each prospectus or catalogue issued by said school, which medical school or college shall also require as a requisite for granting the degree of doctor of medicine attendance upon at least four courses of lectures of six months each, no two of said courses to be held within one year, and having a full faculty of capable professors in all the different branches of medical education, to-wit, anatomy, physiology, chemistry, toxicology, histology, pathology, hygiene, materia medica, therapeutics, obstetrics, bacteriology, medical jurisprudence, gynecology, principles and practice of medicine and surgery, and specially requiring clinical instruction in the last two named of not less than four hours per week in each during the last two courses of lectures.

Sec. 15. That any person who shall prescribe or administer medicine for or who shall in any manner treat disease, wounds, fractures, or other bodily injury for pay shall be deemed physician and surgeon under this act.

Sec. 16. That any person who shall hereafter engage in the practice of medicine and surgery, or either, in the Indian Territory, in violation of the requirements of this act, shall be deemed guilty of a misdemeanor, and upon conviction in any court having jurisdiction thereof under the laws of the United States governing the practice of medicine and surgery in the Indian Territory shall be fined in any sum not less than twenty-five dollars and not more than one hundred dollars; and each day such physician or surgeon shall practice medicine or surgery without being registered as hereinbefore required shall be deemed a separate offense: Provided, however, That nothing in this act shall be construed to prohibit gratuitous service in cases of emergency or the domestic administration of family remedies. And this act shall not apply to surgeons in the service of the United States in the discharge of their official duties, or to physicians or surgeons from other Territories or States when in actual consultation with a physician or surgeon duly registered as provided herein: And provided further, That osteopath, massage, Christian Science, and herbal treatment shall not be affected by this act.

Approved, April 23, 1904.

PHYSICIANS OF OKLAHOMA

EXPLANATORY NOTE.—The towns of Oklahoma and Indian Territories are arranged alphabetically. Towns followed by name of county were formerly in Oklahoma Territory; towns followed by district and number were formerly in Indian Territory. Physicians in Oklahoma Territory were licensed by the Territorial Board of Medical Examiners; physicians in Indian Territory were licensed by one of the four District Examining Boards. Before the next edition it is anticipated that the organization of the new state will be completed, and that all physicians will be registered by the new Board.

MEDICAL PRACTICE ACT.

AN ACT

To Regulate the Practice of Medicine and Surgery in the State of Oregon, and to License Physicians and Surgeons; to Punish All Persons Violating the Provisions of this Act, and to Repeal all Laws in Conflict Therewith, and Declaring an Emergency.

Be it enacted by the Legislative Assembly of the State of Oregon:

Section 1. The governor shall appoint five persons from among the most competent physicians of the state, all of whom shall have been residents of the state for seven years and of at least five years' practical experience in their profession, who shall be known as the Board of Medical Examiners for the State of Oregon. Three of the board shall be regulars, one eclectic and one homeopathist, one of whom shall hold his office for five years, one for four years and one for three years and one for two years and one for one year, and each until his successor shall be appointed and qualified, and each year thereafter another commissioner shall be appointed for five years, and until a successor be appointed and qualified. If a vacancy occur in said board, another shall be appointed as aforesaid to fill the unexpired term thereof.

Sec. 2. The members of said Medical Examining Board shall, before entering upon their duties as such members, take and subscribe an oath to support the constitution and laws of the State of Oregon and of the United States, and to well and faithfully and without partiality perform the duties of such office according to the best of their knowledge and ability; which oaths shall be filed and preserved on record in the office of the secretary of said Board. Said Medical Examining Board shall elect a president, secretary and treasurer, and shall have a common seal. The president and secretary shall have the power to administer oaths. Said Medical Examining Board shall hold meetings for examination on the first Tuesday of January and July of each year. Said meetings shall be held at Portland, Oregon; and, Provided, That the Board may call special meetings when in the opinion of a majority of said Board such special meetings are necessary. Said Board shall keep record of all the proceedings thereof, and also a record or register of all applicants for a license, together with his or her age, the time such applicants shall have spent in the study and practice of medicine and surgery, if they shall have so practiced at all, and the name and location of all institutions granting to such applicants degrees or certificates of lectures in medicine or surgery. Said record or register shall also show whether such applicant was rejected or licensed under this Act. Said books and register shall be prima facie evidence of all matters therein recorded.

Sec. 3. Every person, except as hereinafter provided, desiring to practice medicine and surgery, or either of them, in any of their or its branches in this state, shall make a written application to said Board for a license so to do, which application shall be supported and accompanied by an affidavit of such application [applicant], setting forth the actual time spent by the applicant in the study of medicine and surgery, and when, whether such study was in an institution of learning, and if so, the name and location thereof, and if not in such [an] institution, where and under whose tutorshop such study was prosecuted, the time said applicant shall have been engaged in the actual practice, if at all, of medicine and surgery, or either of them, and where the applicant was located during the time of such practice, and the age of the applicant at the time of making application; such application and affidavit to be filed and preserved on record in the office of the secretary of said board. Such applicant at the time and place designated by said Board; or at the regular meeting of said board, shall submit to an examination in the following branches, to-wit: Anatomy, physiology, chemistry, materia medica, therapeutics, practice of medicine, surgery, obstetrics, diseases of women, medical jurisprudence and such other branches as the board shall deem advisable. Said board shall cause such examination to be both scientific and practical and of sufficient severity to test the candidates' fitness to practice medicine and surgery, which examination shall be by written or printed, or partly written or partly printed, questions and answers, and the same shall be filed and preserved of record in the office of the secretary of said board. After examination, if the same is satisfactory, said board shall grant a license to such applicant to practice medicine and surgery in the State of Oregon, which said license can only be granted by the consent of not less than four [4] members of said board, except as hereinafter provided, in [and] which said license shall be signed by the president and secretary of said board, and attested by the seal thereof. The fee for such examination shall be ten (10) dollars and shall be paid by the applicant to the treasurer of said board toward paying the expenses thereof; and such board may refuse or revoke a license for unprofessional or dishonorable conduct, subject, however, to the right of such applicant to appeal from the decision of said board refusing or revoking such license, as hereinafter provided; Provided, That all persons who have been regularly licensed under heretofore existing laws of this state, and have complied with the provisions thereof, shall be taken and considered as licensed physicians under this act, and the secretary of the board herein provided for shall enter the names of such persons upon the register kept by him, as licensed physicians and surgeons, upon the written application of such person, accompanied with such license heretofore regularly issued.

Sec. 4. The words "unprofessional" or "dishonorable conduct," as used in section three (3) of this Act, are hereby declared to mean:

First—The procuring or aiding or abetting in procuring a criminal abortion.

Second—The employing of what are popularly known as "cappers" or "steerers."

Third—The obtaining of any fee on the assurance that a manifestly incurable disease can be permanently cured.

Fourth—the wilfully betraying of a professional secret.

Fifth—All advertising of medical business in which untruthful and improbable statements are made.

Sixth—All advertising, of any medicine, or of any means whereby the monthly periods of women can be regulated, or menses reestablished if suppressed.

Seventh—Conviction of any offense involving moral turpitude.

Eight—Habitual intemperance.

Sec. 5. In any case of the refusal or revocation of a license by said Board under the provisions of this Act, said board shall file a brief and concise statement of the grounds and reasons for such refusal or revocation in the office of the secretary of said Board, which said statement, together with the decision of said Board in writing, shall remain on record in said office. Before a license can be revoked by said Board for unprofessional or dishonorable conduct under the provisions of this act, a complaint of some person under oath must be filed in the office of the secretary of said Board, charging the acts of unprofessional or dishonorable conduct and facts complained of against the licentiate accused, in ordinary and concise language; and thereupon said Board shall cause to be served upon such accused licentiate a written notice and copy of such complaint, which said notice shall contain a statement of the time and place of hearing of the matters and things set forth and charged in such complaint; and said notice shall be served at least ten days prior to the time of such hearing. Such accused licentiate may appear at such hearing and defend against the accusations of such complaint, personally and by counsel, and may have the sworn testimony of witnesses taken and present other evidence in his behalf at such hearing, and said Board may receive the arguments of counsel at such hearing.

Sec. 6. In any case of the refusal or revocation of a license by said Board under the provisions of this act, the applicant whose application shall be so refused, and the licentiate whose license shall be revoked by said Board, shall have the right to appeal from the decision so refusing or revoking such license within thirty days after the filing of such decision in the office of the secretary of said Board as hereinbefore in this act provided. Such appeal shall be to the circuit court in and for the county in which was held the last general meeting of said Board, prior to the refusal of such license, in case of such refusal; and to the circuit court in and for the county in which the hearing was had upon which such license was revoked, in case of revocation. In any case, a person desiring to take such appeal shall serve, or cause to be served, upon the secretary of said Board, a written notice of such appeal, which shall contain a statement of the grounds of such appeal, and shall file in the office of such secretary an appeal bond with good and sufficient surety, to be approved by said secretary, to the state of Oregon, conditioned for the speedy prosecution of such appeal and the payment of such cost as may be adjudged against him upon such appeal. Said secretary shall, within ten (10) days after the service of said notice of appeal and the filing and aproval of said appeal bond, transmit to the clerk of the circuit court to which such appeal is taken a certified copy under the seal of said board, and the grounds thereof in the case of refusal of license; and in addition thereto a certified copy, under such seal, of the complaint in the cause of the revocation of a license, together with the bond and notice of appeal. The clerk of such court shall thereupon docket such appeal causes, and they shall stand for trial in all respects as ordinary civil actions, and like proceedings be had thereon. Upon such appeal said cause shall be tried de novo. Either party may appeal from the judgment of said circuit court to the supreme court of the state in like manner as in civil actions, within sixty (60) days after the rendition and entry of such judgment in said superior court. If such judgment shall be in favor of the party appealing from decision of said board, and in case said Examining Board does not appeal from judgment within sixty (60) days, then and in that case said board shall, at the end of sixty (60) days, and immediately upon the expiration thereof, issue to such successful party the usual license to practice medicine and surgery in this state, and in addition thereto shall reinstate upon the records of said board the name of such successful applicant in case of the revocation of his license by such Board. In case of such appeal to the supreme court by said board, no such license shall be issued or reinstatement be required until the final determination of said cause, as hereinafter provided. In case the final decision of the supreme court be against said Medical Examining Board, then and in that case said court shall make such order in the premises as may be necessary, and said board shall act accordingly; Provided, That in no case shall an appeal bond be required of said board, nor shall any costs be adjudged or taxed against same.

Sec. 7. The person receiving said license shall file the same, or a copy thereof, with the county clerk in and for the county where he resides, and said county clerk shall file said certificate, or copy thereof, and enter a memorandum thereof, giving the date of said license and the name of the person to whom the same is issued, and the date of such filing, in a book to be provided and kept for that purpose; and said county clerk shall each

year furnish to the secretary of said board a list of all certificates on file in his office, and upon notice to him of the change of location or death of a person so licensed, or of the revocation of the license granted to such person, said county clerk shall enter at the appropriate place in the record so kept by him a memorandum of said facts, so that the records kept by said county clerk shall correspond with the records of the board as kept by the secretary thereof. In case a person so licensed shall move into another county of this state, he or she shall procure from the county clerk a certified copy of said license and file the same with the county clerk in the county to which he or she shall remove. Said county clerk shall file and enter the same with like effect as if the same was the original license.

Sec. 8. Any person practicing medicine or surgery within this state after the first day of April, 1895, without first having obtained the license herein provided for or contrary to the provisions of this Act, shall be deemed guilty of a misdemeanor, and on conviction thereof shall be fined not less than $50 nor more than $100, or by imprisonment in the county jail not less than ten nor more than ninety days, or by both such fine and imprisonment. All such fines shall be paid into the state treasury for the use and benefit of the common schools. Any person shall be regarded as practicing within the meaning of this Act who shall append the letters "M. D." or "M. B." to his or her name, or, for a fee, prescribe, direct or recommend for the use of any person any drug or medicine or agency for the treatment, care or relief of any wound, fracture or bodily injury, infirmity or disease; provided, however, the Act shall not apply to dentists in the practice of their dental profession. Justices of the peace and the respective municipal courts shall have jurisdiction of violations of the provisions of this Act. It shall be the duty of the respective county or district attorneys to prosecute all violations of this Act. In cases of appeals to the Circuit Court, as hereinbefore provided, it shall be the duty of the district attorney of the county wherein such appeal shall be tried to represent said board on said appeal, and in all cases of appeal to the Supreme Court under the provisions of this Act the attorney-general shall represent said board on such appeal.

Sec. 9. All laws and parts of laws in conflict herewith are hereby repealed.

Sec. 10. Whereas great harm and much bodily suffering and pain may result from the insufficiency of our present medical and surgery laws, therefore an emergency is declared to exist, and this Act shall take effect and be in force from and after its approval by the Governor.

Approved February 23, 1895.

MEDICAL PRACTICE ACT.

AN ACT

To establish a Medical Council and three State Boards of Medical Examiners, to define the powers and duties of said Medical Council and said State Boards of Medical Examiners, to provide for the examination and licensing of practitioners of medicine and surgery, to further regulate the practice of medicine and surgery, and to make an appropriation for the Medical Council.

Whereas, The safety of the public is endangered by incompetent physicians and surgeons, and due regard for public health and the preservation of human life demands that none but competent and properly qualified physicians and surgeons shall be allowed to practice their profession;

Section 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same: That there shall be established a medical council of Pennsylvania, consisting of the Lieutenant-Governor, the Attorney-General, the Secretary of Internal Affairs, the Superintendent of Public Instruction and the President of the State Board of Health and Vital Statistics, and the Presidents of the three State Boards of Medical Examiners provided for in this Act.

Sec. 2. The said council shall be known by the name and style of the Medical Council of Pennsylvania, and may make and adopt all necessary rules and regulations and by-laws not inconsistent with the Constitution and laws of this commonwealth, or of the United States, and shall have power to locate and maintain an office within this state for the transaction of business; five members of the said council shall constitute a quorum for the transaction of business.

Sec. 3. The said council shall organize at Harrisburg within ten days from the date of the organization of three boards of medical examiners, and shall elect from its own number a president and a secretary who shall also act as treasurer, both of whom shall hold their offices for one year, or until their successors are chosen.

Sec. 4. The members of the said council shall receive no salary, except the secretary and treasurer, who shall receive a salary of not over $500, and who shall file with the president of the council a bond in the sum of $1,000 conditioned for the faithful performance of his duties. The necessary expenses of the said council shall be paid out of the appropriation made in Section 16 of this Act, and any balance remaining from the appropriation after the disbursements herein specified shall be paid into the treasury of the Commonwealth.

Sec. 5. The said medical council shall hold two stated meetings in each year at Harrisburg, and may hold special meetings at such times and places as it may deem proper. It shall supervise the examinations conducted by the three State Boards of Medical Examiners of all applicants for license to practice medicine and surgery in this commonwealth, and shall issue licenses to practice medicine and surgery to such applicants as have presented satisfactory and properly certified copies of licenses from State Boards of Medical Examiners, or State Boards of Health of other States, as provided for in Section 13 of this Act, or have successfully passed the examination of one of the three State Boards of Medical Examiners, but all such examinations shall be made by the State Boards of Medical Examiners established in Section 6 of this Act. And the said medical council shall have no power, duty or functions except such powers, duties and functions as pertain to the supervision of the examinations of applicants for licenses to practice medicine and surgery and to the issuing of licenses to such applicants as have successfully passed the examination of one of the State Boards of Medical Examiners, or have presented satisfactory and properly certified copies of licenses from State Boards of Medical Examiners, or State Boards of Health of other States, as provided for in Section 13 of this Act.

Sec. 6. It is further enacted that from and after the first day of March, A.D. 1894, there shall be and continue to be three separate Boards of Medical Examiners for the State of Pennsylvania, one representing the Medical Society of the State of Pennsylvania, one representing the Homeopathic Medical Society of the State of Pennsylvania, one representing the Eclectic Medical Society of the State of Pennsylvania.

Each board shall consist of seven members, and each of said members shall serve for a term of three years from the first day of March next after his appointment, with the exception of those first appointed, who shall serve as follows: Two of each board for one year, two of each board for two years, and three of each board for three years, from the first day of March, A.D. 1894.

The Governor shall appoint the members of said boards of examiners, respectively, from the full lists of the members of the said medical society, which list shall on or before the first day of January, 1894, and annually thereafter, be transmitted to the Governor under the seal and signed by the secretary of the society so nominating. From these lists of nominees respectively the Governor shall during the month of January, A.D. 1894, appoint three separate Boards of Medical Examiners, each board to be composed exclusively of members of the same medical society. In case of failure of any or all of said medical societies to submit lists, as aforesaid, the Governor shall appoint members in good standing of the corresponding society or societies, entitled to nominate without other restrictions. Each one of the said appointees must be a registered physician in good standing and shall have practiced medicine or surgery under the laws of this state for a period of not less than ten years prior to such appointment.

The Governor shall fill vacancies by death or otherwise for unexpired terms of said examiners from the respective lists submitted by the said medical societies, and may remove any member of any of said boards for continued neglect of the duties required by this Act, or on recommendation of the medical society of which said members may be in affiliation for unprofessional or dishonorable conduct.

The Governor shall in his first appointments designate the number of years for which each appointee shall serve. The appointments of successors to those members whose term of office will expire on the first day of March of each year shall be made by the Governor during the month of January of such year, upon the same conditions and requirements as hereinbefore specified with reference to the appointment of three separate examining boards, each to be composed exclusively of members of the same medical school and society as hereinbefore provided.

Sec. 7. Said boards shall be known by the name and style of Boards of Medical Examiners of the State of Pennsylvania. Every person who shall be appointed to serve on either of said boards shall receive a certificate of appointment from the secretary of the commonwealth.

Each of said boards shall be authorized to take testimony concerning all matters within its jurisdiction, and the presiding officer for the time being of either of said boards, or of any of the committees thereof, may issue subpoenas and administer oaths to witnesses. Each of said boards of examiners shall make and adopt all necessary rules, regulations and by-laws not inconsistent with the Constitution and laws of this state, or of the United States, whereby to perform the duties and transact the business required under the provisions of this Act; said rules, regulations and by-laws to be subject to the approval of the Medical Council of Pennsylvania established by this Act.

Sec. 8. From the fees provided by this Act the respective boards may pay, not to exceed said income, all proper expenses incurred by its provisions, and if any surplus above said expenses shall remain at the end of any year it shall be apportioned among said examiners pro rata according to the number of candidates examined by each; provided, that the medical council shall keep separate accounts of all fees received from physicians applying for licenses to practice medicine or surgery and shall not devote any such fees to the use of the council, or to the uses or remuneration of any other examining board than that of the society with which the physician who pays the fee wishes to be affiliated.

Sec. 9. The first meeting of each of the examining boards respectively shall be held on the first Tuesday of April, 1894, suitable notice in the usual form being given with the notice of their appointment by the secretary of the commonwealth to each of the members thereof, specifying the time and place of meeting.

At the first meeting of each of the boards respectively an organization shall be effected by the election, from their own membership, of a president and secretary. For the purpose of examining applicants for license each of said boards of medical examiners shall hold two or more stated or special meetings in each year, due notice of which shall be made public at such times and places as they may determine. At said stated or special meetings a majority of the members of the board shall constitute a quorum thereof, but the examination may be conducted by a committee of one or more members of the board of examiners duly authorized by said board.

Sec. 10. The several boards of medical examiners shall, not less than one week prior to each examination, submit to the Medical Council of Pennsylvania questions for thorough examinations in anatomy, physiology, hygiene, chemistry, surgery, obstetrics, pathology, diagnosis, therapeutics, practice of medicine and materia medica; from the lists of questions so submitted the council shall select the questions for each examination, and such questions for each examination shall be the same for all candidates, except that in the departments of therapeutics, practice of medicine and materia medica, the questions shall be in harmony with the teachings of the school selected by the candidate.

Sec. 11. Said examinations shall be conducted in writing in accordance with the rules and regulations prescribed by the Medical Council of Pennsylvania and shall embrace the subjects named in Section 10 of this Act. After each such examination the board having charge thereof shall, without unnecessary delay, act upon the same. An official report of such action, signed by the president, secretary and each acting member of said board of medical examiners, stating the examination, average of each candidate in each branch, the general average and the result of the examination, whether successful or unsuccessful, shall be transmitted to the medical council. Said report shall embrace all the examination papers, questions and answers thereto. All such examination papers shall be kept for reference and inspection for a period of not less than five years.

Sec. 12. On receiving from any of said boards of medical examiners such official report of the examination of any applicant for license the medical council shall issue forthwith to each applicant who shall have been returned as having successfully passed said examination, and who shall have been adjudged by the medical council to be duly qualified for the practice of medicine, a license to practice medicine and surgery in the State of Pennsylvania. The medical council shall require the same standard of qualifications from all candidates, except in the departments of therapeutics, practice of medicine and materia medica, in which the standard shall be determined by each of the boards respectively. Every license to practice medicine and sur-

gery issued pursuant to this Act shall be subscribed by the officers of the medical council and by each medical examiner who reported the licentiate as having successfully passed said examinations. It shall also have affixed to it by the person authorized to affix the same the seal of this commonwealth.

Before said license shall be issued it shall be recorded in a book to be kept in the office of the medical council, and the number of the book and page therein contained said recorded copy shall be noted on the face of said license. Said records shall be open to public inspection, under proper restrictions as to their safe keeping, and in all legal proceedings shall have the same weight as evidence that is given to the conveyance of land.

Sec. 13. From and after the first day of July, A.D., 1894, any person not theretofore authorized to practice medicine and surgery in this state, and desiring to enter upon such practice, may deliver to the secretary of the medical council, upon the payment of a fee of $25, a written application for license, together with satisfactory proof that the applicant is more than twenty-one years of age, is of good moral character, has obtained a competent common school education, and has received a diploma conferring the degree of medicine from some legally incorporated medical college of the United States, or a diploma or license conferring the full right to practice all the branches of medicine and surgery in some foreign country; applicants who shall have received their degree in medicine after the first day of July, 1894, must have pursued the study of medicine for at least three years, including three regular courses of lectures, in different years, in some legally incorporated medical college or colleges, prior to the granting of said diploma, or foreign license, and after the first day of July, 1895, such applicants must have pursued the study of medicine for at least four years, including three regular courses of lectures, in different years, in some legally incorporated medical college, or colleges, prior to the granting of said diploma or foreign license. Such proof shall be made, if required, on affidavit. Upon the making of said payment and proof the medical council, if satisfied with the same, shall issue to said applicant an order for examination before such one of the State Boards of Medical Examiners as the applicant for license may select. In case of failure at any such examination the candidate, after the expiration of six months and within two years, shall have the privilege of a second examination by the same board to which application was first made, without the payment of an additional fee. And it is provided, further, That applicants examined and licensed by State Boards of Medical Examiners or State Boards of Health of other states, on payment of a fee of $15 to the medical council, and on filing in the office of the medical council a copy of said license certified by the affidavit of the president or secretary of such board showing also that the standard of acquirements adopted by said State Board of Medical Examiners or State Board of Health is substantially the same as is provided by Sections 11, 12 and 13 of this Act, shall without further examination receive a license conferring on the holder thereof all the rights and privileges provided by Sections 14 and 15 of this Act.

Sec. 14. From and after the first day of March, A.D., 1894, no person shall enter upon the practice of medicine or surgery in the State of Pennsylvania unless he or she has complied with the provisions of this Act, and shall have exhibited to the prothonotary of the Court of Common Pleas of the county in which he or she desires to practice medicine or surgery, a license duly granted to him or her as hereinbefore provided, whereupon he or she shall be entitled, upon the payment of $1, to be duly registered in the office of the prothonotary of the Court of Common Pleas in the said county, and any person violating any of the provisions of this Act shall be guilty of a misdemeanor, and on conviction thereof in the Court of Quarter Sessions of the county wherein the offense shall have been committed, shall pay a fine of not more than $500 for each offense.

Sec. 15. Nothing in this Act shall be construed to interfere with or punish commissioned medical officers serving in the Army or Navy of the United States, or in the United States Marine-Hospital Service while so commissioned, or medical examiners of relief departments of railroad companies while so employed, or any one while actually serving as a member of the resident medical staff of any legally incorporated hospital, or any legally qualified and registered dentist exclusively engaged in the practice of dentistry, or shall interfere with or prevent the dispensing and sales of medicines or medical appliances by apothecaries, pharmacists, or interfere with the manufacture of artificial eyes, limbs or orthopedical instruments or trusses of any kind for fitting such instruments on persons in need thereof, or any lawfully qualified physicians and surgeons residing in other states or countries, meeting registered physicians of this state in consultation, or any physician or surgeon residing on the border of a neighboring state and duly authorized under the laws thereof to practice medicine and surgery therein whose practice extends into the limits of this state. Provided, That such practitioner shall not open an office, or appoint a place to meet patients or receive calls, within the limits of Pennsylvania, or physicians duly registered in one county of this state called to attend cases in another county, but not residing or opening an office therein. And nothing in this Act shall be construed to prohibit the practice of medicine and surgery within this commonwealth by any practitioner who shall have been duly registered before the first day of March, A.D., 1894, according to the terms of the Act entitled "An Act to provide for the registration of all Practitioners of Medicine and Surgery," approved the eighth day of June, A.D., 1881, and one such registry shall be sufficient warrant to practice medicine and surgery in any county in this commonwealth.

Sec. 16. The sum of $2,000 is hereby appropriated out of any moneys in the state treasury, not otherwise appropriated, for the salary of the secretary and treasurer of said medical council and the necessary expenses of said council, $1,000 thereof for the year beginning January 1, 1894, and $1,000 thereof for the year beginning January 1, 1895.

Sec. 17. All Acts or parts of Acts of Assembly inconsistent herewith shall be and are hereby repealed.

Approved the 18th day of May, A.D. 1893.
